

Appl. No. 10/038,026
Amdt. Dated January 18, 2005
Reply to Office Action of December 16, 2004

Docket No. TC00151
Customer No. 23330

Amendments to the Claims

Claims 1-13 (cancelled)

14. (currently amended) ~~The method of claim 11 wherein said step of determining that said communication interface meets criteria set by said application comprises~~ A method of enabling the transmission of data in a wireless communication network, said method comprising the steps of:

detecting that a communication interface of said plurality of communication interfaces has become available;

determining that said communication interface meets cost criteria set by an application;
informing said application that said communication interface has become available; and
transmitting data associated with said application on said communication interface.

Claims 15-25 (cancelled)
